

## News and Announcements from the IT Center of Excellence

### Save the Date: Expert Speaker Series

**Friday, May 3<sup>rd</sup> | *Analytics and AI: The History of AI and Where We're Going Next*  
9:30-10:30am (Virtual)**

Please join the IT Center of Excellence for our new Expert Speaker Series – an opportunity for IT faculty to learn about emerging technologies, industry trends, and more from industry experts.

Claus Jensen is a C-suite leader with two decades of transformation and technology experience. He has a proven track record driving strategic planning, differentiation, and optimization. Claus has led digital transformation, innovation, and analytics efforts at Teladoc Health, Memorial Sloan Kettering Cancer Center, CVS Health, IBM, and Danske Bank – he is widely regarded as a healthcare and technology thought leader with several publications and patents.
